SOI/PPPOI:

- CIG OSINT has identified a live video posted by Convoy participant **Personal Info.** at 16:21 wherein six protesters appearing to be at the Embrun staging area indicated that they would be performing a slow roll at an unspecified time in the immediate future. Protesters did not clearly indicate a location, but facetiously stated "surprise Trudeau!" and made mention of 24 Sussex. They proceeded to jokingly discuss attending Toronto or Montreal and the morality of lying on Facebook, possibly indicating that the discussion of 24 Sussex was intended to confuse law enforcement.¹
